In Re:

Florida Glass of Tampa Bay, Inc.,

Chapter 11

Case No.: 8:16-bk-06874-MGW

Debtor.

**DEBTOR'S CHAPTER 11
CASE MANAGEMENT SUMMARY**

The Debtor, Florida Glass of Tampa Bay, Inc., by and through its undersigned attorney, hereby files this Chapter 11 Case Management Summary pursuant to Administrative Order FLMB-2009-1, as follows:

Introduction

On August 8, 2016 (the "Petition Date"), the Debtor filed a voluntary petition for relief under Chapter 11, Title 11 of the United States Code § 101, et seq. (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Middle District of Florida, Tampa Division (the "Court"). Pursuant to §§ 1107(a) and 1108 of the Bankruptcy Code, the Debtor is a Debtor in Possession.

Case Management Items

1. Description of Debtor's Business. The Debtor is a Florida corporation engaged in the glass and glazing contracting business.

2. Location of Debtor's Business Operations and Whether Leased or Owned. The Debtor operates from administrative offices located at 13929 Lynmar Blvd., Tampa, FL 33626-3124.

3. Reasons for Filing Chapter 11. The Debtor has previously operated profitably since the Debtor's creation in the year 1993 until 2015, when the Debtor experienced a number of projects that were delayed through no fault of the Debtor, and resulted in severe cost overruns. The inability of the Debtor to collect immediately on the substantial claims available to the

Debtor on these projects, coupled with the necessity to immediately fund completion of these projects, caused, at least in part, the Debtor to file this chapter 11 case. Also, as described below, the Debtor is party to a line of credit with B of A. The Debtor, despite the delays and cost overruns described in this paragraph, always remained current on payments under this line of credit. Unfortunately, after years of renewals by B of A, the Debtor was informed in December of 2015 that the line of credit would not be renewed. B of A has instituted an action in Federal District Court against the Debtor and two related entities for alleged breach of this loan.

4. List of Officers and Directors and their Salaries at the Time of Filing and During the One Year Prior to Filing.

The officers and Directors of the Debtor are:

Joseph Muraco – President and Treasurer – Gross salary paid from the Debtor during the 12 months prior to the Petition date equals \$13,500.00. No salary currently being paid by the Debtor.

Kevin Mullen – Vice President and Secretary - Gross salary paid from the Debtor during the 12 months prior to the Petition date equals \$22,500.00. No salary currently being paid by the Debtor.

4. Debtor's Gross Annual Revenues. The Debtor uses a calendar year as its fiscal year. The Debtor's gross annual revenues for the current year through the date of filing and the last 2 fiscal years are as follows:

2014: \$25,985,048.66

2015: \$2,984,575.98

Year to Petition Date: \$717,988.01 through August 9, 2016.

5. Amounts Owed to various Classes of Creditors. Subject to revision, the Debtor estimates that it has approximately \$5,592,140.23 in secured debt to a single secured creditor, who will be substantially under secured. The Debtor has approximately \$9,073,484.38 in non-priority unsecured debt. Of this unsecured debt, approximately \$4,150,000.00 consists of contingent alleged debt based on guarantees of loans that are fully secured. The balance consists of trade debt.

6. General Description of the Debtor's Current and Fixed Assets. The Debtor's fixed assets consist of office furniture, computers and equipment with an estimated liquidation value (subject to revision) of approximately \$468,074.80, including \$212,661.00 in inventory. The Debtor's only current assets consist of cash on hand on the Petition Date in the approximate \$3,077.11 and receivables in the approximate amount of \$1,327,498.31 plus 745,760.73 in retention due to the Debtor.

7. Number of Employees and Amount of Wages Owed as of the Petition Date.

There are 4 direct employees of the Debtor. On the Petition date there were no wages owed by the Debtor.

8. Status of the Debtor's Payroll and Sales Tax Obligations.

Current.

9. Anticipated Emergency Relief Within 14 Days of Petition Date.

A Motion For Use of Cash Collateral and Motion to Approve Post-Petition Financing, and Motion for Injunction Against Collection From Co-Debtors.

DATED this 17th day of August, 2016.
